Ms. Karen Balderama  
Federal Election Commission

Dear Ms. Balderama:

Identification Number: C00229104

Reference: July Quarterly Report (4/1/02-6/30/02)

In response to your request for more information dated September 10, 2002, the following is included:

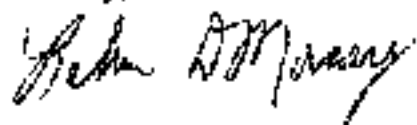

The disbursement in question was not made for personal use but was the tickets are used for entertaining/gifts for constituents. I have amended the report to more accurately reflect this. This is an expense that would not exist if Congressman Duncan's campaign did not exist. They are not for his personal use.

Regarding the donation by the Clean Water Political Action Committee, I was unaware that this committee was not a qualified committee. Upon receipt of your letter, we have refunded the amount over the limit and this will be reflected on our upcoming report.

We will on all future reports make the correction of attributing contributions to other committees or charitable organizations to line 21 and not to operation expenditures.

If you have any further questions, please feel free to contact me.

Sincerely,

Rebecca D. Massey  
Assistant Treasurer
